SALEM COUNTY OFFICE ON AGING OFFERS FLU SHOT TRANSPORTATION

(SALEM, NJ)—Freeholder Jeffrey J. Hogan, Chairman of the Health & Social Services Committee, today announced that the Office on Aging will be offering limited transportation to Salem County residents who want a flu shot from a Salem County sponsored clinic.

"If you want to get a free flu shot but have no transportation to get to the clinic, just call the Office on Aging," said Freeholder Hogan. "The best way to avoid getting the flu is to get your flu shot."

The Department on Aging will be utilizing a van to accommodate seniors and mobile disabled residents. The van seats seven clients and does not have a wheelchair lift. The seats are available on a first-come, first-served basis.

The van will serve the following clinics: October 21 (Salem Community College), October 23 (Lower Alloways Creek Municipal Building), October 28 (John B. Campbell Fitness Center), and November 12 (The Appel Farm Arts & Music Center).

"Now is the time for all Salem County residents to take advantage of the free flu shots," said Freeholder Hogan.

Those needing free transportation should contact the Department on Aging as soon as possible by calling (856) 339-8622 or (856) 451-1207, extension 8622.
